Contact Page

The image shows a contact form on a page with a light blue and green abstract background. The form is divided into two main sections. The top section is titled 'ENQUIRY FORM' and contains the heading 'Send us your requirement.' followed by a subtext: 'Include the item, the quantity and the date you need it by — that is enough for us to quote.' Below this are three input fields for 'Name:', 'Email:', and 'Mobile No:'. The bottom section is a large text area for 'Message:'. Two yellow arrows point from external boxes at the bottom to the form: one from 'Replace this with - Query Zone' to the 'ENQUIRY FORM' header, and another from 'Delete this' to the subtext line. A red box highlights the 'ENQUIRY FORM' header, and another red box highlights the heading and subtext area. A third red box at the bottom right highlights the text 'Status -'.
